

IMPORTANT NOTICE

GRANTA PARK COMMUTER BUS USERS

NEW BUS TICKETING SYSTEM – OUT NOW

Over the coming months we will be gradually moving away from the current paper bus ticket system. In its place commuter bus users will be able to pay for tickets via the Granta Park app and use an electronic ticket (QR code) to validate entry on to one of the commuter buses.

Tickets will still be priced at £1.50 each and they can be purchased singly or in bulk.

Still have a supply of paper bus tickets? Please don't worry, we will continue to accept paper tickets until the remaining stock is used up across the Park.

Your company provides you paper tickets free of charge? Please don't worry, we can continue to accept bulk purchases of tickets by companies based on the Park, if they wish to give tickets to their staff free of charge. An electronic ticket will be emailed to you to scan on the commuter buses by your company (you will not require the Granta Park app for this).

What now? If you have already downloaded the Granta Park app, please update the app to the latest version and then you will be able to purchase bus tickets. If you haven't downloaded the app yet, please follow the instructions below:

STEP 1:

Download the app here by scanning the relevant QR code below:

iOS QR Code

Android QR Code

STEP 2:

Once the app has downloaded follow the on-screen instructions to create an account; once signed up you will receive an activation email - in order to access the app, you will need to first activate the account via this link (don't forget to check your junk or spam folder if you do not see this activation email straight away).

If you experience any problems downloading or using the Granta Park app, please email tracy.thomas@grantapark.co.uk

Also, available via the app:

- A map of Granta Park and the amenities
- Information on the Granta Park nursery and conference centre
